UI/UX Designer

A mid-level UI/UX designer with 2 years of experience, passionate about creating designs that provide great user experiences. I specialize in using tools like Figma and Adobe XD for design and wireframing. I also have knowledge of HTML, CSS, Bootstrap, and responsive design, ensuring that every project I work on is both functional and visually appealing across all devices. My focus is always on crafting user-friendly designs that are intuitive, easy to use, and enhance the overall experience.
